Dear William Alsup.

I would like repeat my request, as you do not reply to my previous mail letter.

I would like again write my request about portable personal videogame. Let us me written form (document) which permit to have and use personally handheld videogame. The more so you make verbal "allow to have". I'm very long time in prison (jail), from 2016 year.

My family give to me (send to me) portable videogame via Sony PSP.
